Description of series and its contents:

This series consists of the records produced by and for Winthrop's Chapter of the Phi Beta Kappa honor society. Spearheaded by Winthrop Alumna Margaret Mae Bryant (Class of 1921), Winthrop applied for a Phi Beta Kappa chapter, but was denied. Phi Beta Kappa celebrates and advocates excellence in the liberal arts and sciences. Its campus chapters invite for induction the most outstanding arts and sciences students at America's leading colleges and universities. The Society sponsors activities to advance these studies - the humanities, the social sciences, and the natural sciences - in higher education and in society at large.
